The screenshot shows the homepage of the website 'Plan Your Escape'. The header features a blue background with a globe icon and the text 'PLAN YOUR ESCAPE'. Below the header is a green navigation bar with links: Home, About the Author, About the Book, 5-Star Reader Reviews, World Travel Blog, Special Sales, Media/Press, and Contact. The main content area has a white background. On the left, there is a book cover for 'PLAN YOUR ESCAPE: Secrets of Traveling the World for Less Than the Cost of Living at Home' by Wayne Dunlap. To the right of the cover is a text block: 'Escape your 9 to 5 routines, have more adventure and romance, change your life, and afford your travel dreams! You deserve this book!' with social media share buttons (48 likes, 1 like). Below this is a quote: 'Plan Your Escape Now - 5-Star Ratings on Amazon.com and Barnes & Noble! "It gets people exploring possibilities they never thought of."' and a bio: 'Former Economics professor and experienced traveler (100 countries) tells of 100's of cost-saving tips revealing proven secrets the travel industry does not want you to know! Learn how to get the best deals on airfare and hotels. Spend less and do more!'. On the right side, there is a promotional banner for the book, a video player titled 'Watch more about the book!' showing the author and a woman, and a 'FREE Travel Tips!' section with a subscription link.

This website was created in Wordpress to promote the book Plan Your Escape for the Author Wayne Dunlap. The theme was designed by Alden Webber and I converted it to Html and applied it to word press as a custom theme.
